

GULFTECH™

SUCCESS ISN'T BORN OVERNIGHT.

—
SUCCESS IS A LONG-TERM COMMITMENT.
AN UNWAVERING PHILOSOPHY.
AN ENDLESS MARATHON WITHOUT
A CLEAR FINISH.

ONCE SUCCESS IS ACHIEVED,
YOU HAVE TO WORK EVEN
HARDER TO MAINTAIN IT.

And no matter how far success takes you,
there's always more potential just beyond reach.

AT GULFTECH, WE'RE HERE TO
POWER POTENTIAL.

TO PUSH BEYOND BARRIERS. AND TO LAY THE
GROUNDWORK FOR LONG-TERM SUCCESS.

WE BELIEVE IN SUSTAINABLE GROWTH.

Not just over the course of a few years, but over the course of decades. So we take a long view in everything we do. This doesn't mean waiting to make a move. It means that for every decision we make, it has to align with our long-term goals.

WE ARE OWNERS AND STEWARDS OF AN EXPANDING FAMILY OF COMPANIES.

Particularly those who engineer, manufacture and service some of the world's leading food processing machinery.

OUR SPECIALTY INCLUDES FINANCIAL
ACUMEN, OPERATIONAL EFFICIENCY
AND GLOBAL EXPANSION.

OUR SIGHTS ARE SET ON GROWTH, BOTH
ORGANIC AND THROUGH ACQUISITIONS.

OUR FOCUS IS ON MIDDLE-MARKET, BUY-AND-HOLD,
AS WELL AS LONG-TERM ACQUISITION OPPORTUNITIES
IN MANUFACTURING, PACKAGING, DISTRIBUTION AND
AFTERMARKET PARTS AND SERVICES COMPANIES.

WE ACTIVELY SEEK TO PARTNER WITH
COMPANIES THAT HAVE AN EBITDA
RANGE OF BETWEEN \$2M AND \$30M.

While bringing our financial expertise to bear, we remain committed to our companies for the long haul, and we honor their legacies as if they were our own.

WE'VE BROUGHT ENERGY TO CITIES,
STEEL TO BUILDINGS,
AND FOOD TO PLATES.

Yet our most important assets are the people who make us Gulftech.
Our culture centers around our people.
The way we work is collaborative.
The way we meet is face-to-face.
And the way we get the job done is with our sleeves rolled up, because
from the beginning, we've never been afraid to get our hands dirty.

TODAY, OUR FOOTPRINT
CURRENTLY EXTENDS
ACROSS 85 COUNTRIES.

HELPING DELIVER ALMOST 80 PERCENT
OF THE WORLD'S PRODUCE.

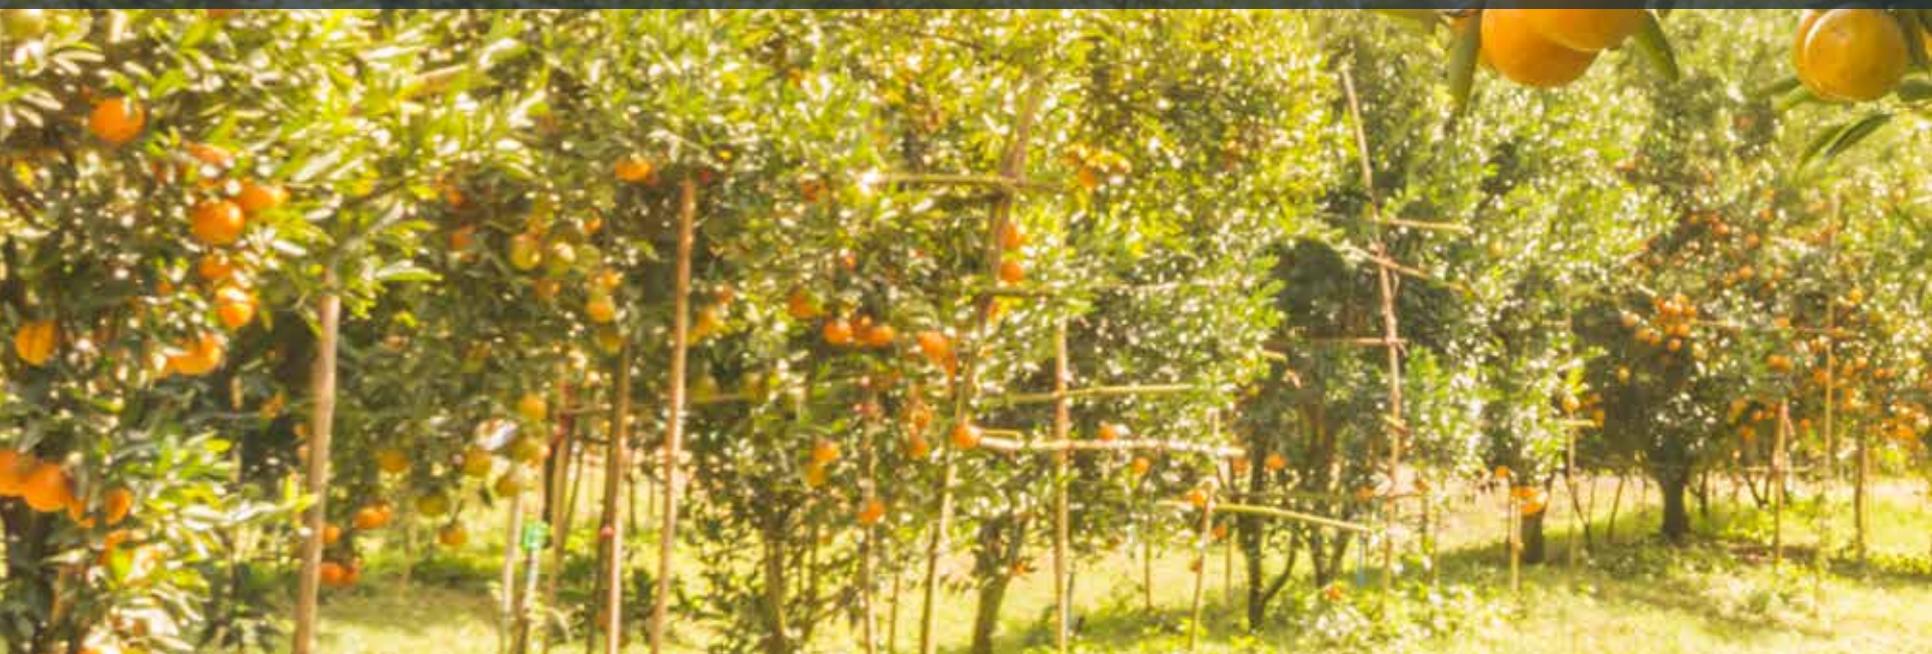

WHEN SOME FOCUS ON
SHORT-TERM SOLUTIONS,
WE FOCUS ON
SUSTAINABLE GROWTH.

WHEN OTHERS THINK THEIR
GOALS ARE A STRETCH, WE THINK
OPPORTUNITY IS WITHIN REACH.

WHEN SOME SEE A CHALLENGE,
WE SEE POTENTIAL. AND TOGETHER,
THAT POTENTIAL CAN BE LIMITLESS.

GULFTECH.
POWERING POTENTIAL.
